

To place a job advertisement on Teenjobs.com.au, you must first register as an Employer. If this is your first time, please fill out the registration form by selecting the red 'Employer' button from the top navigation menu of the website.

1. Please Login with your email address and password. (You must be registered as an employer).

2. Once you are logged in, you will be in Teen Jobs 'Job Central'. Job central is where you can create and manage your job listings, edit your company profile, check job statistics, claim promotional codes and purchase job packs.

To **place a job**, please click the button 'click here to advertise a job' or from the tabs at the top select 'Employers' and then from the drop-down menu choose 'Place A Job'.

3. You will be presented with a screen where you can choose between '**Basic Job Listing**' or '**Mega Job Listing**'. For this tutorial please **Click on 'Basic Job Listing'**.

5. **Step 1A:** Please fill out the **basic details** of your job and then proceed to the next step.

6. **Step 1B:** Please fill out the **job features** and then proceed to the next step.

How would you like people to apply for this job?

- Teen Jobs Application Form (recommended)**
By using the Teen Jobs Application Form, applications you receive will be sent directly to your registered email address. You will also have access to more detailed statistics.
- Custom Application Form**
If your company has a website link to your own application process please select this option. Users will be directed to specified link when applying for your advertised position. By using the Custom Application Form, you will have access to limited statistics.

Would you like the applications sent to an additional email address?

Your applications will be sent to "info@eyedentity.com.au". If you would like to specify an additional email address for applications to be sent to, please type it into the box below.

7. **Step 1C:**
Please select which **application process** you require. (Teen Jobs application recommended)
If you choose a custom application, you will need to insert the application link into the box.
When complete proceed to the next step
